RE: REQUEST FOR INFORMATION ON DATABASES RELATING TO SECTOR SKILLS RESEARCH

This letter serves to inform you that the Nelson Mandela Metropolitan University incorporating the Centre for Integrated Post School Education and Training (CIPSET) has been appointed by the ETDP SETA to conduct research on Adult Basic Education and Training (ABET) for the purpose of updating the Sector Skills Plan (SSP) for the period June to November 2012. The ETDP SETA is mandated and responsible for compiling and updating the SSP for the Education Training and Development (ETD) sector on a yearly basis.

The Nelson Mandela Metropolitan University incorporating the Centre for Integrated Post School Education and Training (CIPSET) will be looking for both qualitative and quantitative information on ABET including access to relevant databases and the ETDP SETA requests that you provide them with all the necessary support. The information obtained will be used to update the SSP.

Please contact the ETDP SETA if you would like to obtain any further details about the research project.

Yours sincerely

Mr Mabutho Raphotle
Senior Research Manager
